Hallam
University**

Sheffield Hallam University

Student-Centred:

to enhance the student experience and provide a joined-up approach to student services / the student union.

Staff & Visitor-focused:

to enhance the staff and visitor experience and provide a consistent and professional approach to the academic workplace.

High Quality:

to provide high quality buildings, spaces and public realm that address backlog maintenance needs of all buildings within the estate.

Flexible, Agile & Efficient:

to provide an agile estate that can respond to changing requirements with efficient and cost effective spaces that are can be adapted quickly.

Sector Leading Learning & Research Spaces:

to provide the right type of space that supports new pedagogy, technology, teaching, learning and research. Collaborative spaces that promote the 'correct' knowledge sharing.

Sense of Place & Identity:

to provide a holistic Hallam campus feel, whilst providing identity and belonging to the different student cohorts and academic communities - a 'Sticky Campus'.

Connected, Collaborative & Organised:

to create connected campuses with re-organised academic and support facility adjacencies supporting interdisciplinary working, knowledge sharing, efficiency and multi-use of space.

Civic Presence:

to enhance the visibility, engagement and profile of the University in the Sheffield City Region and support wider regeneration and development.

Showcase:

to create 'windows to the work' that showcase Sheffield Hallam's expertise in teaching, learning and research.

Business Focused:

to develop a University that is 'Ready for Business' and promote collaboration with external partners and local and regional engagement.

Wellbeing:

to promote staff and student wellbeing, to minimise the impact on the environment, to enhance the 'green' campus and promote equality and diversity.

Why?

£

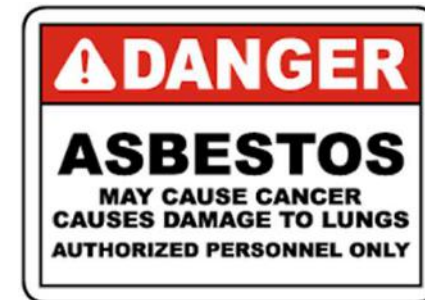

Is our learning engaging?

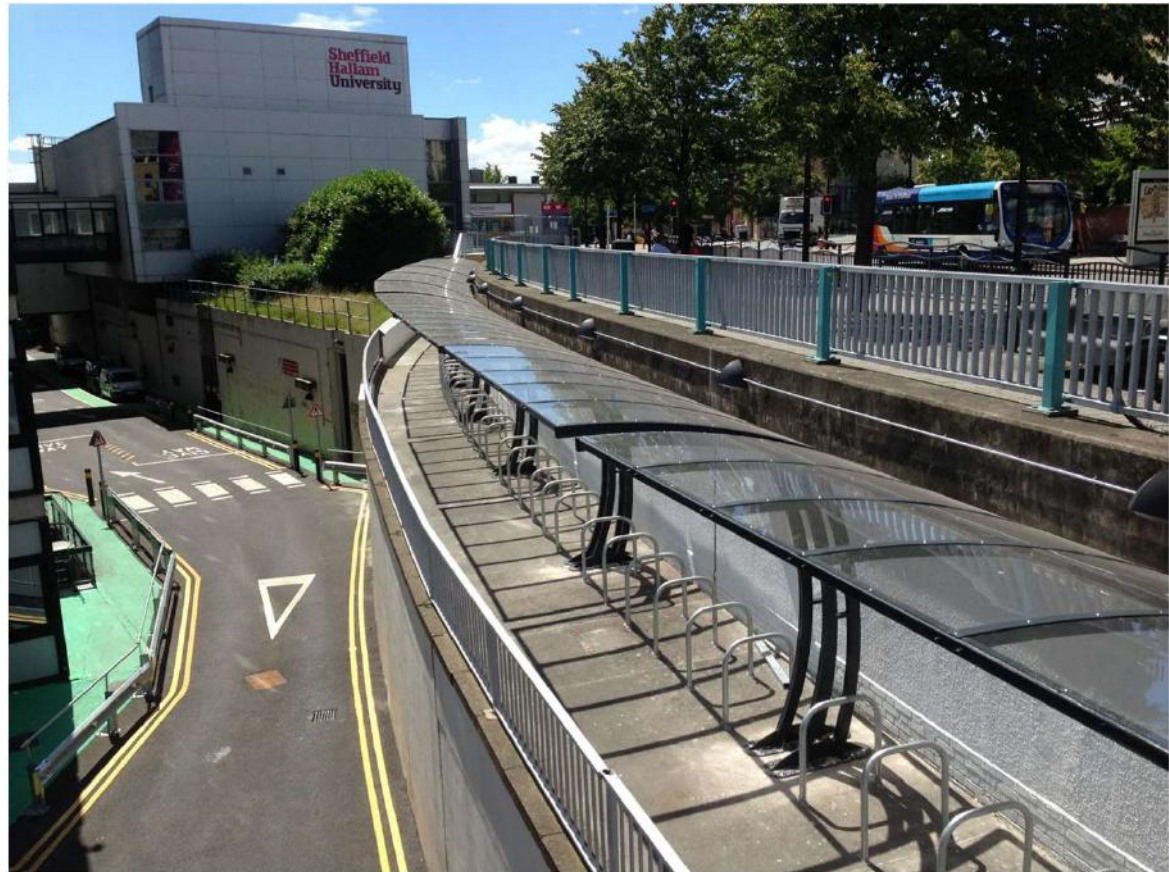

Is there a different way?

- Systems & Technology
- Leading by example
- Training, development & awareness
- Creating the right culture

Working Safely. Together.

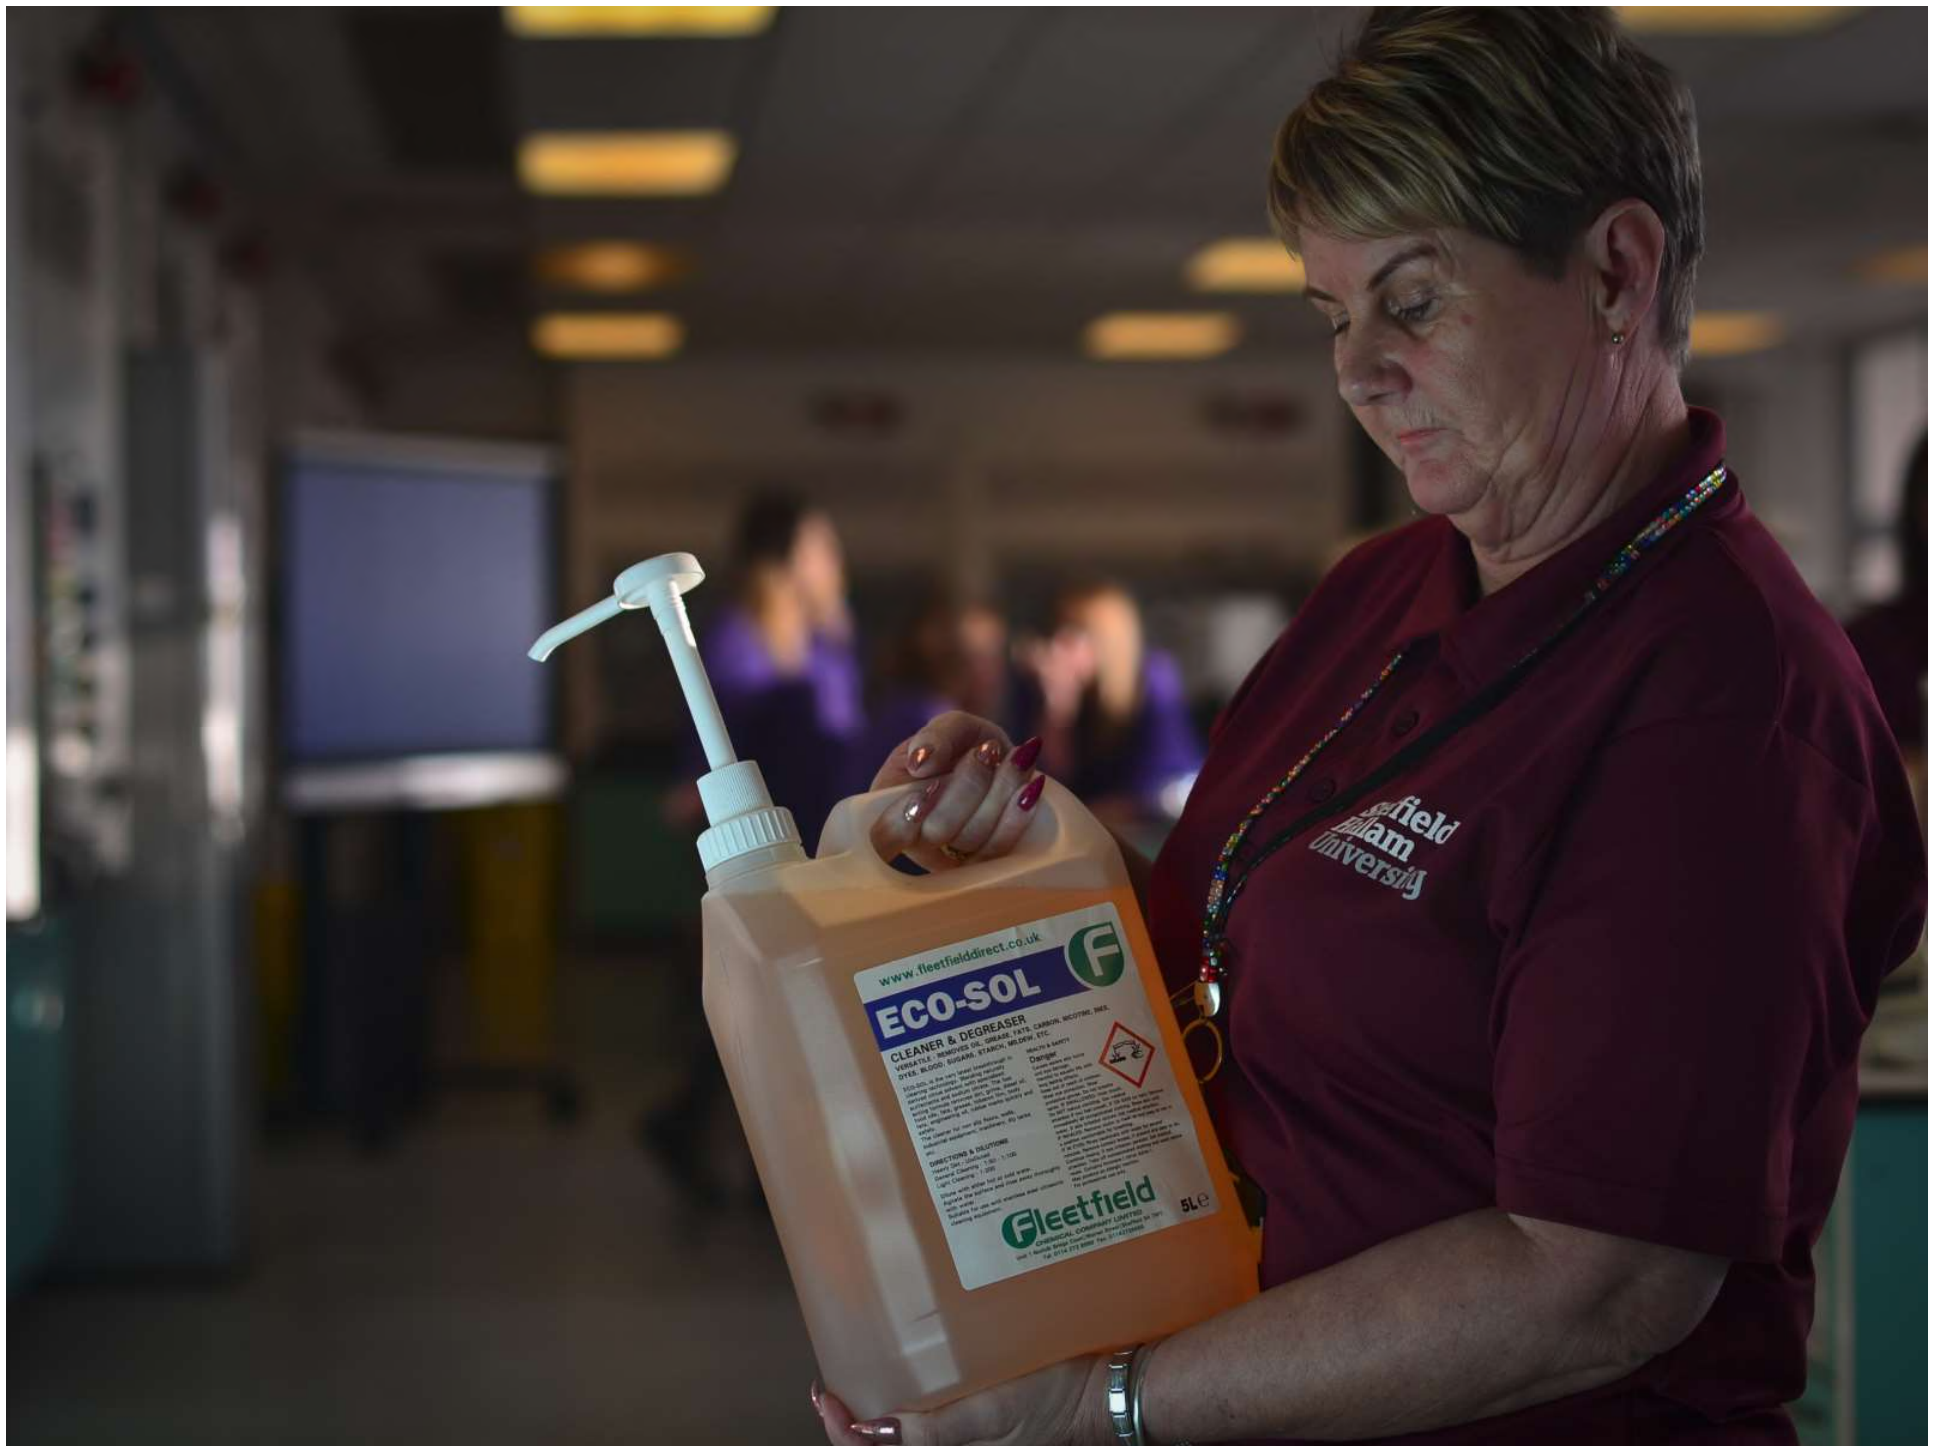

**Mistakes can give us our most powerful
learning**

Engaging Learning

See it. Sort it. Report it.

ECO-SOL

CLEANER & DEGREASER
VERSATILE - REMOVES OIL, GREASE, FAT, CARBON, RUSTING, DYES,
DYES, BLOOD, SUGARS, STARCH, MUD, ETC.

ECO-SOL is a powerful, non-toxic, biodegradable cleaning solution. It is suitable for use on all types of surfaces, including metal, plastic, glass, and fabric. It is particularly effective for removing oil, grease, and carbon deposits from engine parts, as well as rust and scale from heating systems. It is also suitable for use as a general purpose cleaner for floors, walls, and ceilings.

DIRECTIONS & SOLUTIONS
For general cleaning: 1:10
For heavy cleaning: 1:5
For degreasing: 1:10
For rust removal: 1:10

Shake well before use. Add to water. Apply with a brush or spray. Rinse thoroughly. For use on sensitive surfaces, test first.
